Short Description

Oversized Bar Mug - celebrates Repeal of Prohibition

Description

A very scarce and original 1933 Roosevelt's Repeal of Prohibition Oversized Beer Goblet. It measures 10 3/4" tall and just under 6" across. Probably served as a bar top pretzel holder.

Very thick, heavy glass. No chips, dings, or fleabites and just minimal wear. This large, glass bowl commemorates the end of Prohibition with a series of seven vignettes imprinted in white, including a "G.O.P." elephant and a "D.E.M." donkey celebrating over a barrel of beer. A rare piece that will make a beautiful addition to any historic collection!

There is one on display at the Roosevelt Museum.
