Short Description

Crown Ducal Martini Plate

Description

This eye-catching and rare cocktail plate was one in a set of six by Crown Ducal. The artist (signed) was C.W.Anderson.

Each plate depicts a whimsical, distinctive illustration of a woman at a bar characterizing a particular drink she is holding.

The Cocktail depicted on this plate is the Martini.

The plates date to the 1930s and are rare enough that they're displayed in at least one museum in Texas.

The plate measures 8" in diameter & has the Crown Ducal mark on the back.
Excellent condition for this plate that is eighty-something years old.

We will soon be offering 5 of these plates at The Jazz Age.
