Short Description

Cranberry Cut-To-Clear Cocktail Shaker

Description

This stylish and unusual Cranberry glass, Art Deco, baluster shape cocktail shaker, has deep 'cut to clear' pattern and stands 11" tall. Circa 1940s. The shaker base is acid-signed "Japan". Japan established an industry around Cut Glass in the Art Deco style during the period of Occupation and following World War II (1945-1952). These pieces were of the highest quality & equal to any of the similar products from Czechoslovakia & Europe. Small spot of loss in chrome of top...otherwise, excellent condition.
