Description

Tall, slender & sleek, this is a Cobalt Glass 'Skyscraper' Cocktail Shaker Set. Manufactured in the USA in the 1930's during the celebration of the Repeal of Prohibition.

The designers of the 1930's created streamlined modern masterpiece cocktail shakers, many in the shape of the new deity of architecture, the skyscraper. Look at this one & think of the staggering height of the Empire State Building, Chrysler Building, etc.

This Cocktail Shaker is approximately 15" tall with a chrome lid & strainer/pour spout. The two Cobalt Skyscraper Glasses are a little over 4 1/2" tall each.
