Description

Extremely hard to find - 1950's RX Martini Vermouth Dropper

Say you like your Martini dry. Very dry. How exactly do you finesse the mixing of Vermouth to construct your extremely Dry Martini ??? You use a dropper, of course! But ... it's hard to get a dropper down into a bottle. Well.... Meet the RX Martini Vermouth Dropper!

It's LONG! and it's Glass! It has a cork stopper that fits into the Vermouth bottle....and a handy dandy Olive Green squeeze bulb...

It's a permanent cork for your Vermouth Bottle...

and stands ever ready to dispense ..

By the drop!

This dropper comes in it's own original Box. Great condition
