Short Description

6 Crown Ducal 1930's Cocktail Plates...

Description

See page 57 in [Vintage Bar Ware](#)...Here is a rare and complete set of all six Crown Ducal cocktail plates. Each 8" plate shows a different woman dressed in the style matching the name of the drink on that plate. The drinks are: Bacardi, Manhattan, Old Fashion, Bronx, Martini and Side Car. Each plate image is signed C.W. Anderson, the famous illustrator of horses. The six plates are in great condition, and have no chips, cracks or hairlines, though each plate has some generalized fine and hardly noticeable crazing. Each is marked Crown Ducal, Made in England, with a registry number.
