Short Description

Chase Red Cocktail Shaker Set

Description

This iconic set features RED bands and red bakelite as part of the finial. Except for the ruby glass inserts, the set was produced (ca. 1930s & 40s) by Chase Brass & Copper Co., Waterbury, CT., & designed by H.F. Reichenbach. The set with the more common black bands can be found on pg. 66 of S. Visakay's book *Vintage Bar Ware Identification & Value Guide*.

The Shaker is 11 1/2" in height to top of finial - Tray , 15 7/8" in length x 5 3/8" in width. The Glass Inserts were added to the set for effect and convenience.

CONDITION: The red bands on the shaker have faded somewhat over time (see photos). Otherwise, the shaker is in excellent condition.

The cups show a little brass in the bottoms - the red glass roly polys are excellent.

The tray, as usual, shows some wear from use.
