Short Description

Pair of Colorful glass Cocktail Shakers

Description

I believe these 2 Cocktail Shakers are English. The one on the right is 10" tall, has a nice pad foot and is red & white. Comes with 2 matching glasses (3 1/2"). Excellent condition. The Shaker on the left is red, silver & blue, 8" tall. Pour spout cover has a couple of splits. Selling these 2 together since they came to me as a pair.
